

FINAL PAYMENT & REMOVAL OF PURCHASED LOTS

Payment & Documents

Auction End & Bid Approvals: At the close of the sale, all bidders will be emailed their bid results and the totals will be forwarded to the government agency for final approval. Once we receive approval, you will receive an email notification with payment instructions.

Final Payment: All items must be paid in full by bank wire or cashier's check only within 48 hours (2 business days) from time the bid approval email is sent. Cashier's checks are made payable to CWS Marketing Group, Inc. See below for payment submission details. For lots that do not meet reserve, and the bid is approved after the sale, the Buyer will have 48 hours (2 business days) from the time notification is sent to make final payment.

Paperwork Processing: Once funds are received, title work and sale documents will be executed utilizing the buyer's registration information and sent to the buyer via email to have all copies signed. The buyer has 24 hours to return all documents to CWS via email. Any delay in returning documentation will result in a delay in the buyer being able to pick-up property and original title documents being sent to buyer. Once all paperwork is fully executed, the Property Release form will be emailed to the buyer and the storage vendor. The storage vendor's contact information will be presented on the property release document. Originals will be mailed to the buyer.

Title Documents: Title will be conveyed via the below documents and will take up to 7-10 days from CWS's receipt of Buyers signed paperwork for vehicle sales, and up to 21 days for vessel and aircraft sales to be sent to Buyer. Neither license plates nor tags convey with the lots.
